

## FT-11 MITRE GUILLOTINE

### FT-11 Mitre Trimmer

- Makes perfect mitres of up to 4" and 6" when squaring.
- Both right and left cuts can be made at angles between 45 and 90 degrees.
- Ground base surface and two razor-sharp knives offer controlled shaving and leave a glass smooth finish on stock.

### FT-A1 Measuring Attachment

- For trimming duplicate sizes, repeat cuts up to 28.5 inches.
- Easily set up with trimmer base.
